GAME

Welcome to the 2027 **Game: RoboPetCare Challenge!**

Rulebook and material list are available now on robofest.net

Game is also open to both Junior (gr 5-8) & Senior (gr 9-12) divisions

WORLD CHAMPIONSHIPS

The first-place Junior and Senior Game and Exhibition teams are invited to attend the Robofest **World Championship**, hosted this year by KwangWoon University in **Seoul, South Korea (May 2027)**. It is also possible for additional teams to advance based on score.

IN CASE YOU MISSED IT...

After 20 years of partnership with *FIRST*, Acadia Robotics is sad to announce that, as of the 2026-27 season, **Acadia University will no longer be hosting *FIRST* LEGO League competitions** in Nova Scotia. For more details about this decision, visit the "News" tab on our website.
